

E & R UNITED CHURCH OF CHRIST

FAMILY FUN TIMES

May, 2008

Welcome

As a mom I always feel that I am the task master constantly reciting various mantras to my children in order to get us through a day, "Could you please just finish eating", "leave your sister alone", "could you just get your coat on (for the 80 millionth time) so we aren't late for school! Yet these same children are the ones that remind me that there is more to life than the fast pace we all try to maintain. The reminders come in words such as "Look at those big clouds mom, I wish I could sit on one" or the watching of leaves swirling in the wind around their feet. Through the eyes of children we are reminded that the wondrous works of God are all around us, we just need to take the time to see them.

Hear this, O Job; stop and consider the wondrous works of God.

Job 37:14

Take me out to the Ballgame!

Spend an afternoon at Miller park watching our very own Milwaukee Brewers take on the Baltimore Orioles, **Sunday, June 22nd at 1:05**. It is also Polish Racing Sausage Bobble Head Day! Tickets will cost **\$14 per person** for the terrace level seating. Sign up will begin March 30 so check your calendars and plan on attending. We need to know who will be attending by the end of April to ensure tickets and seats where we can all sit together. Payment for tickets will be required upon sign up. Miller park charges **\$10 per car** for parking so we may want to look at carpooling where possible. Please contact Mary Ann or Greg Proffitt if you have any questions.

LIGHTS, CAMERA, ACTION

Take a break from the summer heat and come see the new Disney-Pixar movie WALL*E, about a very determined little robot. After 700 hundred lonely years of doing what he was built for, WALL*E (short for Waste Allocation Load Lifter Earth-Class) discovers a new

purpose in life (besides collecting knick-knacks) when he meets a sleek search robot named EVE. EVE comes to realize that WALL*E has inadvertently stumbled upon the key to the planet's future, and races back to space to report her findings to the humans (who have been eagerly awaiting word that it is safe to return home). Meanwhile, WALL*E chases EVE across the galaxy and sets into motion one of the most exciting and imaginative comedy adventures ever brought to the big screen. Joining WALL*E on his fantastic journey across a universe of never-before-imagined visions of the future, is a hilarious cast of characters including a pet cockroach, and a heroic team of malfunctioning misfit robots. The movie opens in late June so look for more details on dates and times of this July activity in the next edition of the Family Fun Times.

Spring Ahead Day

Plan on joining the Interfaith Senior Programs on **Saturday, May 3**, from **9:00 to Noon** (approximately) for a day of outdoor clean-up for seniors and adults with disabilities throughout Waukesha County. Some of the duties may include raking winter debris, cleaning gutters, washing windows, weeding, trimming bushes, installing screens, placing lawn furniture in yard and planting flowers. **Ages 13 and up** welcome. We will meet in the Masonic Lodge Parking lot at **8:30** and then travel to a home(s) yet to be determined. Last year the program had to turn people away as they did not have enough volunteers so let's give back to the community that has given us so much in our time of need. If you have questions or want to volunteer, please contact Greg or Mary Ann Proffitt.

Scrapbooking

Celebrate Mother's Day by taking the day off and scrapbooking on **Saturday, May 10th** from **9:00-4:00** at the Masonic Lodge. We will charge **\$7 dollars** in advance for this crop so that it will truly be a day off and no one will have to cook! Anyone is welcome. Even if you are new to scrapbooking, come and join us for a demonstration by a Creative Memories consultant. Bring some pictures and you'll be on your way. We will also be drawing for some small prizes throughout the afternoon. Bring a friend and join in the fellowship! Sign up after church, e-mail or call Mary Ann Proffitt so we can plan accordingly for food!
